Index to Vol. LX

Electrical Review and Western Electrician

JANUARY 6 TO JUNE 29, 1912

Articles marked * are illustrated; (E) indicates "Editorial."

A

Accident to electrical men..... 626
Accidents and Industrial Hygiene, International Technical Congress for Prevention of..... 358
Accidents, prevention of, by H. M. Gassman 1006
Accidents, prevention of industrial, by Robert J. Young..... 214
Accountant of public utility in city of 20,000 people, work of, by F. J. Maxwell 190
Accounting system for small electrical contractor, by Roy W. Eves*..... 749
Adaptibox* 150
Adaptibox combinations, new..... 1078
Advertisement that attracted attention 223
Advertisers dine, "People's Electrical Page" 68
Advertising apparatus, Fortuna..... 195
Advertising, central station, how to make it count, by C. A. Tupper.. 1101
Advertising, electric, and decorative street lighting, report of National Electric Light Association Committee on 1195
Advertising, electric, by Robert Montgomery 366
Advertising in the contracting business 754
Advertising medium, moving pictures as central station (E)..... 786
Advertising, newspaper, by W. H. Hodge 129
Advertising of new power contract, by Theodore Blech..... 510
Advertising, public policy..... 268
Advertising, Toledo 464
Aeroplanes, wireless development for 810
Agriculture, electricity in, by Frank Koester* 551
Air cleaner, Spencer* 676
All-day service from small central station (E) 1235
Allen, C. Loomis*..... 117
Allis-Chalmers, receivers for..... 692
Allis-Chalmers reorganization 596
Alloy, new 823
Alloys, Heusler, by A. A. Knowlton and O. C. Clifford..... 1121
Alloys, magnetic properties and microstructure of Heusler, by Alexander D. Ross..... 1121
Alloys, magnetic properties of..... 1120
Alternating currents, elementary notes on* 1153, 1216
Alternator operating at 2,000 cycles per second 1050
Alternators, Oerlikon special slow-speed* 342
Alternators to generate 30,000 volts.. 679
Alternators, Westinghouse water-wheel driven* 146
Aluminum conductors..... 1265
American Association for Advancement of Science, Section B, meeting of 43
American Carbon & Battery Company, fire at plant of..... 152
American Electric Railway Association, convention of.....452, 1032
American Electric Railway Association, dinner to officers of..... 1032
American Electric Railway Association, tour of officials of..... 740
American Electric Railway Manufacturers' Association, exhibit of.... 1032
American Electric Railway officials complete tour 1092
American Electrochemical Society, Chicago Section 70
American Electrochemical Society, fall meeting of 1093
American Electrochemical Society, spring meeting of.....164, 644, 818
American Institute of Architects, joint meeting of, with New York Section, Illuminating Engineering Society 692
American Institute of Electrical Engineers, annual meeting of..... 980
American Institute of Electrical Engineers, Chicago Section, joint meeting with Electrical Section, Western Society of Engineers..... .....95, 142, 214, 621, 790, 904
American Institute of Electrical Engineers, code of professional conduct of 570
American Institute of Electrical Engineers, convention of..... .....68, 502, 694, 860, 1221
American Institute of Electrical Engineers, convention of the (E)..... 1234
American Institute of Electrical Engineers, Detroit-Ann Arbor Section. 404
American Institute of Electrical Engineers, directors' nominees..... 500
American Institute of Electrical Engineers, joint meeting with Association of Iron and Steel Electrical Engineers 740, 856
American Institute of Electrical Engineers, land and building fund.... 1142
American Institute of Electrical Engineers, meetings of..... .....144, 336, 521, 722, 856 980
American Institute of Electrical Engineers, meetings of board of directors of.....164, 358, 500, 502, 741
American Institute of Electrical Engineers, Minnesota Section, convention of.....500, 627
American Institute of Electrical Engineers, new plan proposed for election of officers of..... 1092
American Institute of Electrical Engineers, Pittsburgh Section.....308, 356
American Institute of Electrical Engineers, Schenectady meeting of*.. .....500, 742, 1009
American Institute trip to Panama Canal 308
American Mining Congress, convention of 692
American Museum of Safety, annual meeting of 165
American Physical Society, annual meeting of (E) 3
American Physical Society, meeting of 43
American Railway Engineering Association, convention of..... 596
American Society for Testing Materials 1236
American Society for Testing Materials, convention of..... 166
American Society of Mechanical Engineers, meeting of 260
American Society of Mechanical Engineers, spring meeting of.....885, 1122
American Supply and Machinery Manufacturers' Association, convention of 51
American Telephone & Telegraph Company, annual report of (E) 546
American Telephone & Telegraph Company, report of..... 571
Ammeter, quick way of inserting.... 1110
Anchor rod, adjustable* 50
Andrae, Herman* 271
Animal growth, electric stimulation (E) 354
Annunciator circuits, repairing..... 136
Ants destroy electrical cables in Australia, white 48
Appalachian Power Company district, visit of officers to..... 320
Apparatus, electrical, report of National Light Association Committee on 1202
Argentine Republic and Brazil, electric lighting in, by J. W. Tabb* 1065
Arkansas Association of Public Utility Operators, convention of.....261, 1055
Armature and coil-testing sets* 824
Armature striking pole pieces, locating trouble caused by..... 564
Association of Iron and Steel Electrical Engineers, joint meeting with American Institute of Electrical Engineers 740, 856
Association of Iron and Steel Engineers to incorporate..... 1028
Association of Railway Telegraph Superintendents, convention of..... 1142
Attachment plug, handy..... 33
Attachment plug, new* 965
Attachment plugs, by George J. Kirchgasser* 321
Attachment plugs, new Cutler-Hammer* 535
Attraction, a fatal..... 1236
Automatic control in steel-plant operation, advantages of, by Stewart C. Coey 857
Automatic telephony in England..... 1223
Automobile carnival, New York..... 1188
Automobile Engineers, Society of, meeting of 227
Automobile headlight, new..... 197
Automobile show, Chicago.....247, 295
Automobile show, Louisville (Ky.) ... 529
Automobile shows, New York..... 130
Automobile supplies lights for Pullman train, electric* 392
Automobiles, electric indicating lamps for 197
Automobiles in telephone-trouble work 334
Automobiles, new electric starter for. 916
Automobiles, wireless for armed..... 53

B

Bakeries, electricity in (E)..... 497
Bakeries, electricity in*..... 503
Baking, electric 129
Bangor (Me.) Power Company builds a new hydroelectric plant..... 934
Bank lighting, Frink system of*..... 1074
Barger, O. W.*..... 806
Barnes, Marshall L.*..... 213
Baseboards, tool for removing..... 755
Batteries and electrochemistry in 1911 11
Batteries, dry, by S. W. Melsom..... 766
Batteries, efficient charging of vehicle, by J. F. Lincoln..... 670
Batteries, life of dry..... 334
Batteries, prolonging life of ignition 996, 1158
Batteries, storage, by Harry W. Morse 1056
Battery, depreciation of storage, after idleness 906
Battery, Edison storage, by M. R. Hutchison 627
Battery for sick-room lamps, vehicle 358
Battery sets for general building construction, Patterson* 430
Battery, very high capacity storage... 764
Beaumont, Texas, central-station exhibit, by H. P. Jirou*..... 80
Bell, Alexander Graham, made honorary member of Telephone Pioneers 358
Bell circuit, repairing..... 901
Bell wiring, problem in..... 615
Bells, concerning alternating-current 137
Bells on 110-volt circuit, low-voltage* 755
Bending, conduit* 615
Bergmann Electric Company reorganized 693
Bessemer, Ala., lighting rates reduced in 799
Billboard chart 943
Bismuth 670
Blacksmith's blower* 483
Blank forms to use in electrical contracting 1215
Blow torch, home-made*..... 518
Blow torch, how to remedy defective 615
Blowers, blacksmiths'* 483
Blue Book, the Electrical..... 1265
Blue Island plant of Public Service Company of Northern Illinois enlarged 171
Boards, removing floor..... 901
Boiler explosion, quick action of central station after, by Theodore Blech* 320
Boiler rooms, wiring in, by H. G. Wilson* 662
Boiler-tube cleaner, air-driven..... 1016
Bolt, Van expansion*..... 579
Bookkeeping for contract work, by Louis Levy 801

BOOK REVIEWS:

Direct and Alternating-Current Manual, by F. Biddl and C. A. Pierce 1266
Modern American Telephony, by A. B. Smith 1267
Outlines of Applied Optics, by P. G. Nutting..... 1267
Storage Batteries, by Harry W. Morse 1056
The Electrical Blue Book..... 1265
The Kingdom of Dust, by J. G. Ogden 1267
The Signal Dictionary..... 1267
Booster-converters, synchronous*..... 1012
Bootblacks, electric signs for..... 799
Boring machines, vertical motor drive for* 391

NOV 18 1912

Boring tool, a convenient..... 1219
Boston Edison buildings, new..... 166
Boston electric show..... 1072
Boston electric-vehicle parade..... 1103
Boston Electrical Luncheon Club.....
.....356, 383, 405, 453 502, 697, 1008
Boston electrification 549
Boston electrification prospects (E).. 547
Box factory, central-station power for 416
Boxes, electric power in manufacture of wooden* 1143
Boxes, fastening conduit*..... 1219
Boxes, setting floor*..... 1219
Braking of induction motors, electric, by H. C. Specht..... 857
Brazil and Argentine Republic, electric lighting in, by J. W. Tabb*..... 1065
Breweries, electricity in*..... 791
Brick drill, sharpening a..... 1219
Brick making, electricity in (E)..... 883
Brick-making plants electric power in* 887
Brooklyn electric rates reduced..... 893
Brooklyn electrical contractors, dinner to* 421
Brush, Matthew C.*..... 453
Brush for collector rings, lubricating* 290
Brushes, chattering and sparking..... 1217
Brushes, sparking of motor..... 807
Brushes, the proper treatment of commutators and (E) 1234
Building construction, electric power for 1103
Building construction, electricity in(E) 403
Building construction, electricity in* 407
Building plant and central station, cooperation between, by W. A. Blonck 1118
Bureau of Standards, work of, by M. G. Lloyd..... 116
Burglar alarm, wiring*..... 951
Bushings, porcelain*..... 51
Business Science Club of Philadelphia 886
Business, ways and means of building up profitable, in small town where investment is large, by H. E. Morton 222
BX, stripping..... 707
Byllesby & Company, H. M., affiliated companies, convention of....4, 70
Byllesby Company, negotiating for Minneapolis General Electric Co.. 932
Byllesby delegates to National Electric Light convention..... 932
Byllesby Lunch Club..... 1188

C

Cabinet, proper installation of*..... 1052
Cable clamps* 823
Cable network, auxiliary feeders in* 658
Cable-rate reduction extended..... 116
Cables, Telafault, for testing power and telephone*..... 98
Calculating machine, new electrically operated 487
California-Oregon Power Company turbo-generators 1120
California Public Service Commission 42, 619, 1113
Callahan, E. L.*..... 1237
Calling on old customers (E)..... 450
Canadian Electrical Association convention 1260
Canadian Pacific may electrify mountain lines..... 932
Canadian power project..... 173
Canadian water-power resources.... 32
Candy manufacturing, electric power and heating in*..... 455
Canopies on electric fixtures, insulating 518
Capitol Engineering Company, exhibition by..... 386
Car for railroad track work, gasoline-electric tool..... 487
Car from Boston to New York, electric 614
Car, German, gasoline-electric..... 296
Car Lighting Club, Chicago...118, 356, 790
Car, new stepless..... 674
Car, storage battery, by H. E. Pratt 212
Carbolineum in preserving telephone poles, successful test of*..... 486
Card forms for plant records, by R. H. Pickens*..... 558
Card system for contractors, solicitors and supply salesmen, by J. Howard Bothwell*..... 328
Carnegie Technical School changes name to Carnegie Institute of Technology 897
Carpenter, central-station service for 510
Casing for steam pipes, Michigan wood* 244
Cedarmen make inspection trip..... 1141
Ceiling plate, large..... 33
Cells, dry, by S. W. Melsom..... 766
Cells, performance of dry, by Carl Hambuechen 819
Cells, regeneration of sulphated storage, by C. W. Bennett and D. S. Cole 819
Cells, standard methods recommended for testing dry..... 908
Cells, testing of dry (E)..... 881
Cement poles, Rubello-Santi*..... 583
Central Electric exhibit at Wisconsin Electrical Association convention 247
Central Electric Railway Association, annual meeting of.....166
Central Electric Railway Association, meetings of.....694, 1221
Central Electric Railway Association, spring meeting of..... 502
Central-station advertising, how to make it count, by C. A. Tupper.. 1101
Central-station advertising medium, moving pictures as (E)..... 786
Central station, all-day service from small (E) 1235
Central station and building plant, co-operation between, by W. A. Blonck 1118
Central station and electric trucks, by Arthur Williams..... 288
Central-station business, commercial development of, by Egbert Douglas 188
Central-station business in Independence, Kan..... 417
Central-station campaign, successful* 943
Central-station commercial records(E) 739
Central-station company, following up construction jobs in, by Alden W. Welch..... 1166
Central-station company, liability of, for bad wiring (E)..... 1026
Central-station company to operate hotel 1236
Central-station conditions in Cherryvale, Kan..... 557
Central-station development, commercial side of, by Henry L. Doherty 81
Central-station development in Chicago, twenty-five years of, by Samuel Insull..... 836
Central station, distribution of electricity from, by A. D. Brinkerhoff 862
Central-station exhibit at Beaumont, Tex., by H. P. Jirou*..... 80
Central station, free ice from a..... 1246
Central-station generation, relation of, to railway electrification, by Samuel Insull..... 722
Central station heating..... 865
Central-station literature in England, co-operative, by A. H. Bridge... 798
Central station participates in Knights Templar celebration 1246
Central-station power contracts (E). 738
Central-station power for coal mines, by Graham Bright..... 860
Central-station power for electric railways 558
Central-station power for grain elevators* 1239
Central-station power for municipal pumping (E)..... 1025
Central-station power for municipal pumping* 1033
Central station, quick action of, after boiler explosion, by Theodore Bloch* 320
Central station rates, effect of, on new business, by H. S. Sines*.... 843
Central station, relation of, to wiring contractor, by C. R. Hayes..... 621
Central station secures pumping contract, Omaha (Neb.)..... 748
Central-station service, by C. E. Daniells 799
Central-station service for carpenter 510
Central-station service for dock machinery, by C. O. Tupper*..... 695
Central-station service for keeping flies off horses*..... 557
Central station, should small, engage in electrical construction? 306
Central station steam heating for Louisville, Ky..... 416
Central-station supply for summer... 608
Central station, what will it do for the electric vehicle? by H. S. Conkey 698
Central-station window, effective*.... 800
Central stations, building up day load in small, by H. J. Manger..... 865
Central stations co-operating with Rate Research Committee of National Electric Light Association.. 6
Central stations, electric vehicle as source of revenue to, by Godfrey H. Atkin..... 212
Central stations, oil engines for small, by O. E. Brownell..... 866
Central stations, pointers for, by R. H. Pickens..... 959
Central stations, production costs in similar (E)..... 353
Central stations, publicity literature for (E)..... 162
Central stations, relation of, to wiring and supply business, by W. B. Voth 179
Central stations, small, notes on the economical operation of, by H. H. Stephens 1245
Central Tube Company enters conduit field..... 774
Chafing dish, new Pelouze*..... 342
Champagne and electricity..... 186
Charging stations near New York, vehicle 128
Chart, billboard..... 943
Chart that specifies reflectors*..... 582
Chattanooga electrical show..... 477
Chemical analysis, electrical method of (E)..... 547
Chemical compounds, by E. Wedekind 1120
Chemist, use of electric current by, by Edgar F. Smith..... 214
Chemistry, Eighth International Congress of Applied..... 934
Cherryville, Kan., central-station conditions in..... 557
Chesapeake & Potomac Telephone Company reorganized..... 130
Chicago automobile show.....247, 295
Chicago Car Lighting Club....118, 356, 790
Chicago City Club, meeting of..... 1060
Chicago Electric Club.....
.....4, 70, 116, 187, 260, 308, 357, 479, 598, 669, 768, 842, 884, 932, 1212
Chicago, electrification in (E)..... 1027
Chicago elevated railway lines and their operation, by Edward J. Blair 502
Chicago members of National Electrical Contractors' Association, meeting, of.....166, 178, 900, 1001
Chicago, new street-lighting system for, by Hans Schaedlich..... 669
Chicago, "People's Electrical Page" in 789
Chicago, power rates in..... 614
Chicago railway-terminal situation, by L. C. Fritch..... 260
Chicago Section, American Electrochemical Society..... 70
Chicago Section, American Institute of Electrical Engineers, joint meeting with Electrical Section, Western Society of Engineers..
.....95, 142, 214, 621, 790, 904
Chicago Section, Electric Vehicle Association of America...260, 356, 884, 955
Chicago Section, Illuminating Engineering Society..193, 429, 598, 788, 1068
Chicago, smoke abatement in..... 740
Chicago street lighting..... 842
Chicago trolley fares..... 284
Chicago, twenty-five years of central-station development in, by Samuel Insull 836
Chickens, stimulating the growth of... 1238
Chili, a promising market for electrical supplies..... 519
Chucks, D. & W. magnetic*..... 867
Church and auditorium lighting, by H. B. Wheeler..... 193
Circuit-breakers, wall mounting for.. 965
Circuit, convenient testing*..... 564
Circuit costs, distribution (E)..... 161
Circuits and apparatus, protection of high-tension power, by James Lyman 95
Circuits, establishment of day..... 1055
Circuits, motor, unusual arrangement of* 134
Circuits, repairing annunciator..... 136
Circuits, series and multiple, by George J. Kirchgasser*..... 27
Circuits, supports for exposed..... 851
City Club of Chicago, meeting of..... 1060
Clamp, Williams test*..... 967
Clamps, cable*..... 823
Clay, feldspar and mica, electrical properties of mixtures of..... 43
Cleveland branch, National Association of Stationary Engineers..... 166
Cleveland Electrical League Colonial Minstrels* 480
Cleveland Electrical League luncheon 68, 164, 501, 646, 742
Cleveland, electrification urged in..... 415
Cleveland, "People's Electrical Page," advertisers dine..... 68
Clock, pendulum mechanism for master* 532
Clocks to be set by wireless in Germany 673
Clyde Valley, overhead transmission construction in the, by Albert H. Bridge* 1247
Coal, electricity direct from..... 692
Coal mines, central-station power for, by Graham Bright..... 860
Coal, hand and mechanically fired, by W. F. Gorenflo..... 1170
Coal, Maryland's output of..... 1160
Coal output, Tennessee..... 1259
Coal producers for power, bituminous, by C. M. Garland..... 1123
Coal production, Montana..... 1109
Coal production of New Mexico..... 934
Coal, spontaneous heating of..... 1119
Coal strike increases demand for electric power, British..... 669
Coal, use of alternating current in unloading, by J. B. Crane and W. N. Ryerson 859
Coals, Arizona, promising..... 1121
Coating, National*..... 389
Coffee mill, electric*..... 580
Coil for locating short-circuits, high-frequency 518
Coil-testing and armature sets*..... 824
Coils, connection of circuit-breaker trip 712
Coils, Connecticut plug and spark*.... 150
Collier "Jupiter," electric propulsion for 182
Colorado Electric Club..... 837
Color-matching light, new..... 342
Commercial department work, report of National Electric Light Association committee of cost of.... 1198
Commercial development of central-station business, by Egbert Douglass 188

NOV 18 1912
110598

Commercial development of electrical industry, by W. W. Freeman..... 1165
Commercial Section, National Electric Light Association, Residence Business Committee..... 268
Commercial side of central-station development, by Henry L. Doherty 81
Commission control, by J. C. Crowley. 333
Commonwealth Edison Section, National Electric Light Association 404, 452, 550, 769, 836, 933, 982, 1094
Commonwealth Edison Company, new 40,000-horsepower unit for..... 646
Commonwealth Edison Company purchases large Chicago office building 117
Commonwealth Edison Company to reduce rates..... 416
Commonwealth Edison Company exhibition room, new..... 128
Commonwealth Edison pension plan 25
Communication, electrical, by Arthur E. Kennelly..... 453
Commutator lubrication 1249
Commutator slotting, by G. W. Lantz 178
Commutator slotting, value of..... 907
Commutators and brushes, the proper treatment of (E) 1234
Commutators, notes on the care of.. 1217
Complaints, follow-up system of..... 656
Complaints in large electric light company, handling, by E. C. Kimball 461
Compressors for pneumatic-displacement water pumping*..... 1076
Computer for lamp life, rapid*..... 774
Concrete telegraph poles in New Zealand, reinforced..... 89
Condemnation of property, compensation for, by Maguire and Mooney. 709
Condensation on switchboards, prevention of..... 327
Condenser, lighting circuits containing a*..... 1218
Condensers, effect of temperature on absorbed charge in electric..... 44
Condensers on lighting circuits*..1128, 1218
Condensing water, temperature of, by W. B. Ruggles..... 1122
Condensite* 199
Conduction, electric, by D. F. Comstock 963
Conductors, new method of joining electrical* 420
Conduit, arranging concealed*..... 470
Conduit bending*..... 615
Conduit boxes, fastening*.....1110, 1219
Conduit, connecting rigid, with short lengths of flexible..... 852
Conduit construction by a large railroad, underground, by Harold K. Weid* 413
Conduit construction in Omaha..... 993
Conduit construction, some abuses of (E) 257
Conduit, fishing..... 1110
Conduit, fishing wires in*..... 375
Conduit, fishing wires in long runs of 1158
Conduit fittings, splices in..... 1160
Conduit for underground steam pipes, interlocking vitrified tile*..... 148
Conduit, grounding of..... 230
Conduit, locating ground in..... 32
Conduit, method of flooding..... 707
Conduit, molding and open work, combination of, by H. G. Wilson.. 803
Conduit, novel way of pulling wires into 471
Conduit on girders, supports for..... 1160
Conduit, pulling additional wires into 901
Conduit, pulling wires past sharp bends in..... 89
Conduit services, installing, by George L. Forrest*..... 704
Conduit, straight cutting of large.707, 807
Conduit supports for*..... 951
Conduit systems, by George J. Kirchgasser* 175
Conduit, use of, required by Pittsburgh Bureau of Electricity..... 30
Conduit versus open wiring for places exposed to dampness or corrosive vapors, by F. G. Waldenfels*.895, 1045
Conduit work, concerning..... 326
Conduits in streets, right of electric company to construct subways for, by Maguire and Mooney..... 809
Connector, convenient terminal 1253
Connector, "Nosplice"*..... 965
Connector, novel..... 471
Connellsville (Pa.) electrical show*.. 510
Conservation of energy, by George L. Forrest* 228
Consolidated Gas & Electric Company of Baltimore, pension system of.. 476
Construction, evolution of better methods of, by W. J. Canada.... 752
Construction in theatres, electrical*.. 1213
Construction jobs, following up, in central station company, by Alden W. Welch..... 1166
Construction, notes on electrical, by George J. Kirchgasser*:
Series and multiple circuits..... 27
Systems of interior wiring..... 82
Metal molding..... 131
Conduit systems..... 175
Fished flexible tubing..... 224
Fuses in common use..... 269
Attachment plugs..... 321
The generator or dynamo..... 368
Wiring for electric heating devices.. 419
Electric motors..... 465
Series motors..... 512
Alternating-current motors..... 609
Wiring and other installations for alternating-current motors..... 701
Construction, should small central station engage in electrical? (E).... 306
Contact points, tungsten for..... 1172
Contract order routine, report of National Electric Light Association Committee on..... 1198
Contract work, bookkeeping for, by Louis Levy..... 801
Contracting, blank forms to use in electrical 1215
Contracting business, advertising in.. 754
Contracting business, economy in the management of the (E)..... 1233
Contracting business, electrical, pertinent comments on the..... 1250
Contracting, electrical, addresses on.. 286
Contracting, electrical, estimating overhead expenses in..... 285
Contracting, fundamentals of electrical, by J. H. Lauer..... 418
Contractor, accounting system for small, by Roy W. Eves*..... 749
Contractor, education of electrical (E) 401
Contractor, education of electrical, by C. R. Kreider..... 768
Contractors, among the .....
.....87, 180, 226, 271, 413, 467, 517, 563, 658, 754, 806, 850, 900, 950, 995, 1050, 1109, 1155, 1218, 1252
Contractors and manufacturers, relations between 1248
Contractors in Illinois, campaign for education of electrical..... 326
Contractors, shop and office system for electrical, by E. M. Raetz..... 706
Contractor's show-window*..... 516
Contractor's store at Battle Creek, Mich.* 849
Controller for slip-ring induction motors, elevator*..... 487
Controller, new Cutler-Hammer*..... 196
Controller, Westinghouse Crane*..... 246
Convention preliminaries, electrical (E) 978

CONVENTIONS:
American Association for the Advancement of Science, Section B 43
American Electric Railway Association 452, 1032
American Electrochemical Society 164, 644, 818, 1093
American Institute of Electrical Engineers.....68, 502, 694, 860, 1221
